### Voluntary buy-in contributions/early withdrawals

---

- I have made a voluntary buy-in contribution to the pension fund in the last three years.  
Pursuant to pension law, buy-ins and their interest income are not available for lump-sum withdrawals for a period of three years. Please note that, according to the pertinent fiscal jurisdiction, the entire savings capital is barred from lump-sum withdrawals for a period of three years. In any case, active members are required to clarify the fiscal consequences of a lump-sum withdrawal and are solely responsible for such consequences.
- I have already made an early withdrawal or pledged vested benefits under the home ownership encouragement scheme. A withdrawal under home ownership scheme is possible every five years. If the pension assets are pledged, the pledgee's written approval must be submitted.
